A donation of items from the needs list helps Blackburn Center sustain the shelter program, and helps to maintain the support groups the agency provides for clients. In addition, some of these items are made available to clients who are establishing their own homes and need support with basic household items.

Please put the items that are in **bold** at the top of your shopping list, and help Blackburn Center manage donations by bringing new items. If you have used items to donate, the agency can provide a list of thrift shops in the area that make items available to Blackburn Center shelter residents at no cost to them.

**For more information about donation opportunities, contact:**
